“That's what I want to be about. I desire for my life not to be a demonstration of my abilities, my accomplishments, my position, my relationships or even my knowledge of Starbucks, but rather a demonstration of the Spirit and power of Christ. “

## The Forsythes - Insights from Africa

Please pray that God would call a new teacher to come in January '09, when we return to the field. If you know someone who may be interested, forward this link to them, to get more information: <http://going.imb.org/shtermresults.asp> The listing is "General Education/ MK teacher/ Senegal."

We also have a request for two short-term missionaries to join our team. Please help us recruit for these vital team members. You can follow the same link above to read the detailed description for "Community Outreach/ Development and Ministry/ Friend-maker and Bible Storyteller/ Senegal."

Bro. Randy and Bro. Odis, pastors from churches in Fort Worth, TX and Plainfield, IL, are preparing to come on discovery trips this August. Please pray that God will provide the resources necessary for them to make the trip and pray that He would help us on this side in planning the details. Pray also how you and/or your church might partner with us in the work among the Sereer-Sine.

Darlene Reynolds, secretary at FBC Coal City, has a high school graduate to add to our Congratulations!
