Pastor's Chuckle

The following article was found in a church bulletin. It's titled, "How To Get Rid of a Pastor." It instructs: you should first look your pastor straight in the eye while he's preaching and say "Amen!" once in a while, and he'll probably preach himself to death. Second, you should try patting him on the back and bragging on his good points, which will probably result in his working himself to death. Third, re-dedicate your life to Christ and ask the preacher for some job, preferably some lost person you could win to Christ, and he'll likely die of heart failure. Fourth, get the church to unite in prayer for the pastor and he'll soon become so effective that some larger church will come and take him off your hands.

Every time I think of you,
I give thanks to my God.
I always pray for you, and I
make my requests with a
heart full of joy because
you have been my
partners in spreading the
Good News about
Christ from the time
you first heard it
until now.
- Phl 1:3-5
