

Hello, All!

Hope that your summertime is full of lots of fun times with friends and family. We took a wonderful weeklong vacation at sunny Saly, Senegal, on the coast. It was a good time of swimming, fishing, sandcastle-building, and general relaxing.

We've got a busy couple of months this summer. Travis is gathering information to update the statistics on the Sereer-Sine. (evangelical churches, preaching points, etc.) When all is gathered, we can map out where other GCCs (Great Commission Christians) have work and develop our strategy. We'll share the information with our brothers and sisters and pray about where God would have us work, so that every Sereer-Sine village has the opportunity to hear and respond to the gospel message. Kim will be working with a language helper to get a witnessing tool developed in both Wolof and Sereer-Sine (the two languages spoken by our people). The last week of this month, we'll be heading to a conference with all of our IMB personnel in the region. Please be praying for this time, that we would be united and renewed in our fervor to reach this region with God's Good News.

In August, we have two pastors, one from Texas and one from Illinois, coming on Discovery trips. It is our hope and prayer that these pastors and their prospective churches will partner with us in ministry among the Sereer-Sine. Please pray for Bro. Randy and Bro. Odis, as they prepare to make the trip, and as they are here among the people, that their eyes and ears will be open to what God would have them see and hear. Pray also for their churches, that God would even now be speaking to them about His love for this precious people.

We will be stateside October 1, 2008 - January 6, 2009. Our schedule is filling up fast. if you'd like for us to speak at your church, we will do our best to fit you in. Just let us know, as soon as possible! We will be staying in

a missionary residence in Joliet, Illinois, provided by the Three Rivers Baptist Association.
